

FAASTeam presents:

# Safe Reid-Hillview Airport Operations

Reid-Hillview Airport (KRHV) pilots and guests are welcome to come and hear the Director of Airports, Eric Peterson, present an update on airport operation. The presentation will help pilots be more aware of airport operations and thereby operate safer while on the property and in the facilities. Topics to be addressed include:

- Projects planned for this year
- Events in the coming year
- Airport Operations staffing plan
- Status of FAA maintenance funding and application
- Revised License Agreement and Rules and Regulations documents coming
- FYI: Parachute operations at San Martin airport (E16)

There will be plenty of time for questions and answers at the end.

**Directions:** Seminar will be held in the lobby of the Reid-Hillview Airport Terminal building. From Highway 680, exit onto Capital Expressway. Travel Southeast on Capital Expressway. At Cunningham Ave. turn Right. Reid-Hillview Terminal building is straight ahead then slightly left.

**A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
